

REASONABLE SUSPICION DRUG AND ALCOHOL TESTING

The Bonneville Joint School District 93 is committed to a safe learning environment. Any student under the influence of drugs and/or alcohol on any District premises or at any District-approved or school-related sponsored activity, regardless of location, can severely disrupt the educational environment as well as pose a threat to student health and safety. Therefore, student intoxication or possession, use, distribution, or aiding in the procurement of drugs, alcohol, or drug paraphernalia will not be tolerated. Legitimate use of prescription drugs, prescribed by an authorized health care professional will be permitted. The District administrative staff is authorized to require any student, on grounds of reasonable suspicion, to submit to a drug and/or alcohol test.

Guidelines

Notice

1. Annual notification of District policies for staff and/or parents/guardians will be made available on the District's webpage. It is the responsibility of staff and parents/guardians to read and become informed of the contents, requirements, and expectations of these policies. Hard copies will be made available upon request.
2. Nothing herein contained shall be construed to avoid any prosecution under any pertinent Federal or State of Idaho criminal statute.

Determining Reasonable Suspicion

1. Reasonable suspicion shall not arise when indicators are not observed.
2. The fact that a student has previously disclosed use of a controlled substance will not be deemed a factor in determining reasonable suspicion at a later date.

Intentional Harassment Prohibited

Reasonable suspicion shall not be used for the purpose of intentional harassment of any student.

Drug Use/Abuse Recognition Education

1. Annual training for principals and administrators regarding recognition of drug and alcohol use/abuse shall be provided by the District.

2. Principals and administrators shall provide employees within their buildings professional development regarding recognition of drug and alcohol use, handling procedures, and policy implementation familiarization.

Counseling

If there is reasonable suspicion that a student is in possession of, is using, is aiding in procurement of, or is distributing prohibited drugs, alcohol, or drug paraphernalia, the District may recommend counseling and drug or alcohol education at the student's parent/guardian's expense.

Students with Disabilities

1. Students with disabilities are responsible for adhering to the same rules of conduct as non-disabled students.
2. State and Federal regulations related to students with disabilities will be followed when implementing discipline procedures.
