PROVISION OF SPECIAL EDUCATION

The Bonneville Joint School District No. 93 Board of Trustees acknowledges that all children and youth have the opportunity to receive an educational program commensurate with their abilities, needs and talents. It is also recognized that students may require special education programs and services that are supplemental to or different from regular classroom instruction. Therefore, the District shall provide special education programs and services consistent with federal and state laws, rules and regulations, the current Idaho Special Education Manual adopted by the Idaho State Board of Education, and adopted Board policy.

Guidelines

1. Special services may include psychological, social work, speech and language, audiological, student and parent counseling, gifted and talented education, homebound services and special education.

2. For students identified as being eligible for special education services under Public Law 108446, Individuals with Disabilities Education Act (IDEA), related services will be provided when appropriate as applicable under State and Federal laws.

3. Information, records and reports derived from such services shall be considered confidential and will be managed in accordance with the Family Educational Rights & Privacy Act of 1974, P.L. 93-380, and Section 513 of the Individuals with Disabilities Education Act (IDEA), P.L. 108-46, and adopted District policy.

4. Provision of such special education program and services will be contingent upon parental or adult student consent, as applicable, and in accordance with Section 33-2001 Idaho Code, P.L. 108-446, Individuals with Disabilities Education Act (IDEA), applicable Idaho Administrative Code; and the current Idaho Special Education Manual adopted by the Idaho State Board of Education.
