

CHILD NUTRITION MEAL CHARGES

The District 93 Board of Trustees wishes to establish consistent meal account procedures throughout the District. The school meal program is federally funded by reimbursement from meals sold and revenue collected from paid meals. In order to maintain the financial stability of the program, charging meals must be limited.

Therefore, the goals of this policy are:

- To ensure that all students have access to nutritious meals and that no child goes hungry.
- To treat all students with dignity and confidentiality in the serving line regarding meal accounts.
- To support positive and clear communication among staff, administrators, teachers, students, and parents/guardians.
- To establish fair and consistent practices throughout the District.
- To place the responsibility of meal payments on parents/guardians.
